

□ **This is it!**

After considerable thought, prayer and soul searching, we have decided that April 26, 2015 will be the final Angels Race. When the race was started, we had no idea it would be so successful and such a blessing to so many. We also had no plan for how long we would put on the race.

The Angels Race is very much a family run event and it is not something we see passing along to others. Our families have evolved to a place where we are now ready to end this amazing journey on a high note. We are thankful for all of the blessings this race has brought to us and to the countless people who have been part of the twenty races we have produced in NC & VA since 2003.

□

Angels Race Virginia 2015

Registration is open for the 2015 Angels Race Triathlon to be held April 26th 2015. [Click Here](#) to reach the registration website.

This will be the 13th Annual event, same great courses, volunteers and logistics crew you are used to seeing at this race. We hope to see you in April!

Angels Race Virginia 2014

Thanks to all who came out to race on April 27th in the 12th Annual Angels Race in downtown Lynchburgh VA!

The overall winner was Joseph Anderson of Lynchburg, VA with a time of 1 hour 1 minute 39 seconds. The first overall Female was Renee Kunnen of Richmond, VA with a time of 1 hour 13 minutes and 12 seconds. Over 400 athletes participated on a beautiful spring day in Lynchburg honoring their angels. We look forward to setting the date for the 2015 Angels Race later this summer.

11th Annual Angels Race VA 2013

Parker Spencer took the overall honors with a time of 1:03:19. The top Female was Cheryl McMurray in a time of 1:16:16. Va Tech, JMU and Liberty all had strong showings with their college teams. Hundreds of arms were marked with names of angels. A beautiful cloudless day contributed to the festive atmosphere. A new division, assisted athletes was a highlight - Jenna Trebour assisted by her mother Beth, and Leslie Hogland assisted her daughter Jasmine through the race. See coverage of the race below:

ed The Angels Foundation recognizes that we can only become our best with the inspiration and strength of others - angels who see more in us than we see in ourselves. These angels often impact our lives in ways that are difficult to describe, and impossible to repay.

The mission of the Angels Foundation is two-fold:

- Create opportunities for individuals to honor angels who have touched their lives
- Encourage people to be angels in the lives of others.

The sport of triathlon, like life, is as much a competition with self as it is with other athletes. The Angels Race is an opportunity to challenge yourself to give it your best, and to honor those who inspired you to become who you are, and who you seek to be.

Participants write the name of the angel they are honoring on their body during body marking, and carry the spirit of that person throughout the race. Many are inspired to their best performance, some resolve grief or celebrate a lost angel while others recognize the significance of someone currently in their life. For everyone, it is more than just a race.

Be an Angel, Honor an Angel, Give it a TRI!
